Introduction

Since its establishment in 2007, more than two thousand students from around the world have participated in the SNU ISI program to learn, experience, and enjoy for an unforgettable summer of academics, activities, and long-lasting friendships.

SNU ISI presents a unique opportunity for students to experience academic life at Seoul National University, Korea's most prestigious university and one of the leading universities in the world. SNU ISI's intensive six-week summer program taught by distinguished SNU and visiting faculty members offers its participants the chance to learn in depth from experts on Korea and East Asia, as well as a range of topics from the disciplines of Economics and Business Management to History, Politics, Sociology, and Arts. SNU ISI also provides courses on Korean language and traditional arts, for students wishing acquire or advance their Korean language abilities while immersing Korea's contemporary and traditional culture.
