## AEARU Winter Abroad at Yonsei Program 2023

### By Yonsei University

#### 1. Program Introduction

During the 2023-2024 Winter Abroad at Yonsei, Yonsei University hosted a dynamic 3-week winter program at the Sinchon campus, welcoming approximately 1,100 international students from 30 countries worldwide. Our program emphasizes academic excellence through a diverse range of courses and provides ample opportunities to explore Seoul and immerse oneself in Korean culture, including activities such as the DMZ tour, skiing trips, and Korean cooking classes.

Participating in our program offers an exceptional chance to advance your scholarly pursuits, engage with esteemed professors, and forge connections with fellow participants from across the globe.

Yonsei's main campus is nestled in a scenic and spacious natural environment, just moments away from Seoul's bustling economic, political, and cultural hubs. With over 6,500 distinguished faculty members leading groundbreaking research in various fields, 20 graduate schools, 28 colleges, and 178 research institutes, Yonsei University attracts a highly accomplished and diverse student body from around the world.
